

# How to Play Rock, Paper, Scissors

## Introduction

Rock, Paper, Scissors is a simple and fun game played between two players or a player and the computer. The objective of the game is to choose one of three options: Rock, Paper, or Scissors. The winner is determined based on the rules below.

## Rules

1. **Rock** crushes Scissors.
  2. **Scissors** cuts Paper.
  3. **Paper** covers Rock.
- If both players choose the same option, it results in a tie.

## Game Setup

1. **Start the Game:** When you open the web application, you will see an option to select the number of players (1 or 2).
2. **Enter Player Names:** If you choose to play with 2 players, you will be prompted to enter the names of both players. If you choose 1 player, the second player will be the computer.
3. **Select the Number of Rounds:** Choose how many rounds you would like to play.

## Making Your Choice

1. Each player will be presented with three buttons representing Rock, Paper, and Scissors.
2. Click on the button corresponding to your choice.
3. After both players make their selections, the winner will be displayed.

## Viewing Results

After each round, the results will show who won and the current score. The game will automatically advance to the next round until all rounds are completed.

## Ending the Game

At the end of all rounds, the final scores will be displayed, and you will have the option to restart the game.

## Enjoy!

Have fun playing Rock, Paper, Scissors!
